RFT1617-0001 Purchase of Landfill Compactor and Trade of Existing Bomag Landfill Compactor.

City of Bunbury CEO, Andrew Brien informed council that if a trade or sell of existing plant is greater than \$75,000.00 (excl. GST); a separate tender is required.

\* Council authorise CEO to continue with purchase and trade when confident that everything is within Regulation. CEO to seek clarification on Regulation about the trade / sell of existing equipment greater than \$75,000.000 (excl. GST)

*Clarification was sort from the Department of Local Government on the above matter and the verdict was yes the procedure that we had followed for the sale an asset over the value of \$75,000 was in breach of the Act.*

*The Department advised that in our next annual compliance report under the sale of assets and tenders to report that we were in breach of the Act. I as the CEO decided to rectify the breach by re- tendering the sale of the existing Bomag Landfill Compactor as a separate tender RFT 1617-0002 - Evaluation Report Attached **(Attachment 1)***

## 12. General Business

### 12.1 Operational Update – October 2016

- **BHRC Standing Orders**

Draft BHRC Standing Orders for Councils consideration to adopting its own Standing Orders – **Attachment 2**

- **Request for BHRC Workshop**

Request to conduct a workshop including all BHRC Councillors and Executive Officers from member Councils to discuss medium and long term future of the Regional Council and in particular Stanley Road.

Workshop scheduled for Wednesday 16 November 2016 and to be facilitated by Ian Watkins from IW Projects.

- **Stanley Road Expansion**

Received draft amendment licence from the DER, there are three areas on concerns that are being addressed with the DER.

Letter that was sent to the DER by Talis on behalf of the BHRC, detailing amendments required to draft Stanley Road licence – **Attachment 3**

Have spoken to the Officer at DER in charge of the Stanley Road amendments and he has verbally clarified that all requested amendments to the draft have been granted and changed in the final licence. Document awaiting sign off from Department head prior to issuing.

- **Compost Site Relocation**

Awaiting on the DER new Environmental Standards for Composting to be released which will include the required buffer distances for new compost facilities – Still waiting.

- **Organic Certification**

Organic certification for the Banksia Road Compost Facility is nearing completion with the authorities from Australian Certified Organic conducting audit for certification on the site. All indications appear to be positive with only a couple of minor changes required to recording of temperatures through all five stages. Trialling goats for use of weed control on site in line with environmental friendly and chemical free as per organic certification.

- **Organic Media Release**

Media Release sent to all local media organisations – **Attachment 4**

(Southwest Times have indicated doing a story in the 27 November 2016 edition)

- **Stanley Road Administration Complex**

Will make a decision on this matter after the outcome of the BHRC workshop.

- **Yarloop Fire Waste Disposal**

Final tally of waste deposited from the Yarloop fires at Stanley Road are 6,146.94 tonnes equating to \$395,778.51 plus GST.

- **Paintback Scheme**

The Stanley Road Waste Management Facility has been chosen as one of five location in Western Australia (the only site outside of the Perth metropolitan area) to participate in the Federal stewardship Paintback scheme. The scheme will allow all domestic and commercial unused paint to be deposited free of charge at the facility and will commence mid December 2016 as per below.

- PBL administers a consumer and trade waste reduction scheme known as Paintback for the collection, recycling and environmentally friendly treatment of liquid architectural and decorative paint together with the containers in which the paint is sold in Australia.
- Under the Paintback scheme, PBL engages both public and private sector partners to provide appropriate fixed collection facilities and services to accept A&D Paint and allow it to be sent for treatment or material recovery.
- **Regional Waste Education Coordinator**  
Margaret Macindoe has unfortunately tendered her resignation and will be relocating with her family to Sydney; the Regional Waste Education Coordinators position has been advertised with applications closing 4 November 2016.

On behalf of the BHRC I would like to say that it has been a pleasure and a real asset to have had Margaret working for the BHRC over the last four years and her efforts into making the organics recycling a true success in the region along with all other waste minimisation programs implemented. I wish Margaret and her family all the very best in the future and our loss will be her next employers win.
