Dear Tony

RE: LEASE – PART LOT 1, 3003 BANKSIA ROAD DARDANUP

Please be advised that the Shire of Dardanup has entered into a contract of sale with CPPS Pty Ltd for the sale of the balance of Part Lot 1, 3003 Banksia Road, Dardanup.

Your local government has a lease over a portion of this site for the organic waste processing service.

The sale of the land is currently being advertised and submissions will close on Friday 20 February 2015.

Once the contract of sale has been finalised I will provide you with formal advice to that effect, however settlement will not occur until after 30 June 2015.

Given the current lease that your local government holds with this Shire, I encourage you to contact the prospective new owner to commence negotiations on the ongoing lease of the land once the settlement has been finalised.

The postal address for the new owner is PO Box 9010, Picton, Western Australia 6229.

Please contact my Manager Governance Services, Mrs Cathy Lee on 9724 0306 or via email cathy@dardanup.wa.gov.au to seek clarification of this advice if required.

Yours sincerely

MR MARK L CHESTER
Chief Executive Officer
