

# Household Hazardous Waste Program

## January - March 2018 Update

### Bunbury – Harvey Regional Council

#### Introduction

This brief update provides information about the amount of Household Hazardous Waste (HHW) your Local Government/Regional Council Permanent facility collected in this quarter. Also included are the amounts of HHW collected overall in the quarter.

#### Local Government / Regional Council

In this quarter, WALGA received 4 invoices, 2 for full and 2 for bulk HHW collections at the Bunbury Permanent facility which totalled 16,620kg. This came at a cost of \$51,610.95 (excl. GST) to the HHW Program for the collection, transport and disposal of the HHW. Figure 1 gives a detailed breakdown of the amount and type of materials collected at your facility this quarter.
