Section 7.12A(2) of the Act requires a local government to meet with its Auditor at least once each year.

Officer Comment

Council's management and internal control systems are sound. In addition to being monitored internally on a daily and monthly basis they are also strengthened by an independent assessment each year on the Council's financial management systems and external audit reporting. The independent assessment reviews Council's financial position, financial management practices and compliance with the requirements of the Local Government Act, the Local Government (Financial Management) Regulations, and Accounting Standards.

There are five (5) primary financial statements:

- Statement of Comprehensive Income
- Statement of Financial Position
- Statement of Changes in Equity
- Statement of Cash Flows
- Fee Setting Statement

***Statement of Comprehensive Income*:** The Statement of Comprehensive Income (shown on pages 1 to 2 of the Financial Statements) shows the extent to which operating revenue has exceeded operating expenditure during the financial year (i.e. operating surplus).
Key financial figures within the audited Annual Financial Report for the year ended 30 June 2017 include:

	2017	2016
Operating Revenue	$ 5,677,035	$ 3,367,317
Operating Expenses	$ (5,386,560)	$ (3,127,392)
Operating Surplus	$ 290,476	$ 239,928
Net Result (utilised for capital works)	$ 223,102	$ 451,125

For the year ending 30 June 2017, the operating surplus was $290K compared to $240K in 2016/17, an increase of $50K. The increase of $2.3M in revenue is mainly due to increases in tonnages received from outside the Bunbury-Harvey Region.

When capital grants and profit/loss on disposal of assets are included, the Net Result was a surplus of $223K (compared to a surplus of $451K in 2016/17). The Statement also accounts for the revaluation of non-current assets during the year of $(126K) resulting in a Total Comprehensive Income for 2016/17 of $97K compared to $1.0M in 2016/17.

***Statement of Financial Position*:** The Statement of Financial Position (shown on page 3 of the Financial Statements) shows the assets and liabilities which make up the Equity as at the 30 June 2017.

Key financial figures within the audited Annual Financial Report for the year ended 30 June 2017 include:

	2017	2016
Current Assets	$ 7,164,890	$ 7,412,854
Current Liabilities	$ 549,875	$ 340,566
Current Assets over Current Liabilities	$ 6,615,015	$ 7,072,288
Non-Current Assets	$ 4,167,603	$ 3,624,674
Non-Current Liabilities	$ 32,603	$ 43,986
Total Equity	$10,750,015	$ 10,652,976

Council's current assets exceed current liabilities by $6.6M compared to $7.1M in 2016/17. The total Equity as at 30 June 2017 was $10.7M an increase of $97K on 2016/17.

***Statement of Changes in Equity*:** The Statement of Changes in Equity (shown on page 4 of the Financial Statements) shows the extent to which the Equity has been increased by the net result of the year's activities. For the year ending 30 June 2017, the Equity increased from $10.6M to $10.7M.

***Statement of Cash Flows*:** The Statement of Cash Flows (shown on page 5 of the Financial Statements) shows the nature and amount of Council's cash inflows and out flows from all activities. Council's cash held at the end of the reporting period was $6.8M compared to $7.1M in 2016/17.

***Fee Setting Statement*:** The Fee Setting Statement (shown on page 6 of the Financial Statements) shows the amount of fees and charges required to be raised to fund the Council's operating during 2016/17. In 2016/17, $4.2M in fees and charges were raised, an increase of $1.3M or 146% on 2016/17 (Council increased tonnages coming in from outside the Bunbury-Harvey region to prepare for cell capping at Stanley Road).

Summary
The purpose of this report is to provide Council with information regarding the appointment of auditors for the Bunbury-Harvey Regional Council (BHRC).

Committee Recommendation
That Council:

1. Note that the Local Government Amendment (Auditing) Act 2017 was proclaimed on 27 October 2017;
2. Note that the City of Bunbury has been engaged by the BHRC to provide accounting services for the 2017/18 financial year, and that it is cost effective for BHRC to utilise the

same auditor as the City of Bunbury as the same accounting systems and software are employed in the same location;

3. Note the procurement processes undertaken by the City of Bunbury in seeking to appoint an Auditor for the 2017/18 financial year;
4. Make a recommendation to the Office of the Auditor General (WA) that AMD Chartered Accountants be appointed as the BHRC's auditors based on the procurement processes undertaken by the City of Bunbury prior to the proclamation of the Local Government Amendment (Auditing) Act 2017, and on the recommendation of the City of Bunbury at its Ordinary meeting on 14 November 2017.

Strategic Relevance

BHRC Strategic Community Plan Priorities, Objectives and Performance criteria and the BHRC 10 year Financial Plan include the following strategic objective:

- Deliver sound and cost-effective solutions for waste management.

Background

The Local Government Act 1995 (the Act) requires the accounts and annual financial report of a local government for each financial year be audited by an auditor appointed by the local government.

The contract of the BHRC's current auditor (Grant Thornton) expires following the audit of the 2016/17 financial statements. Audit Committee members will recall that the original 5 year contract with Grant Thornton was extended by 1 year (for the 2016/17 financial year audit) following the introduction of the Local Government Amendment (Auditing) Bill 2016, which was to result in the Office of the Auditor General (OAG) taking responsibility for local government audits from 1 July 2017.

The Bill did not pass before to the dissolution of Parliament prior to the 2017 WA election, and so the Department of Local Government and Communities (DLG) at the time advised local governments to only renew or extend audit contracts until the 2017/18 financial year audit.

The City of Bunbury commenced this procurement process in good faith, but has now been advised by DLG that the Local Government Amendment (Auditing) Act 2017 has been proclaimed, which means that local governments no longer have the power to appoint auditors under the Act; that power now resting with the OAG.

Council Policy Compliance
Council's current Purchasing Policy "A001V1"applies.

Legislative Compliance
The Local Government Act 1995, Local Government (Audit) Regulations 1996, and Local Government (Financial Management) Regulations 1996 apply, as does the Local Government Amendment (Auditing) Act 2017.

Officer Comments
Notwithstanding the timing issues mentioned above concerning the proclamation of the Local Government Amendment (Auditing) Act 2017, City of Bunbury Officers sought quotes for audit services for the 2017/18 financial year in accordance with Council's policies regarding procurement.

Three submissions were received by the closing date, being from AMD Chartered Accountants; Moore Stephens; and Grant Thornton.

A panel of Officers assessed the submissions against the nominated response criteria, which was weighted as follows:
a) Demonstrated experience in completing similar audits - 30%
b) Skills and experience of key personnel (including staff undertaking the audits) - 30%
c) Methodology to complete the audits - 10%
d) Price - 30%

The City of Bunbury's Purchasing Policy regarding local procurement was applicable to this process, whereby a 5% price preference is applicable to locally based companies with a permanent office located within the Bunbury-Wellington Group of Councils, but was not, however, a factor in determining the recommended outcome.

Notwithstanding the proclamation of the Local Government Amendment (Auditing) Act 2017, Officers would have ordinarily recommended the appointment of AMD Chartered Accountants as the City's auditors for 2017/18 based on the assessment of submissions received. As this power no longer rests with local government, it is recommended that the outcome of the procurement process be forwarded to OAG for their consideration.

Analysis of Financial and Budget Implications
Audit fees form part of the BHRC's Annual Budget.
