Purpose

To amend the Budget Review adopted by Council on 22 February 2018 for the period 1 July 2017 to 31 January 2018. The changes required have no effect on the forecast closing surplus of \$128,722.

Executive Recommendation

That Council:

Council approve the following amendments to the Budget Review for the period 1 July 2017 to 31 January 2018 previous adopted at Council on 22 February 2018 and adjust the budget accordingly:

1. Increase transfers to the Site Post Closure Rehabilitation Reserve by \$158,000.
2. Decrease transfers to the Plant and Infrastructure Reserve by \$158,000.

COUNCIL DECISION:

MOVED BY: _____ **SECONDED BY:** _____

RESULT: CARRIED / LOST _____

Background

The Budget Review adopted by Council on the 22 February 2018 contained an error in the treatment of savings in site rehabilitation costs of \$158,000. The savings should have been returned to the Site Post Closure Rehabilitation Reserve but were instead treated as unrestricted cash. The savings were a result of the favourable tender received for the gabion wall and associated costs.

Details

To correct the mistreatment of savings from site rehabilitation costs of \$158,000 it will be necessary to return these funds to the Site Post Closure Rehabilitation Reserve and offset this by a reduction in the budgeted transfer to the Plant and Infrastructure Reserve. (Note; the additional funds to the Plant and Infrastructure Reserve were from the original forecast operation surplus which is now no longer possible).

This will result in no change to the budgeted closing surplus funds as at 30 June 2018 of \$128,722. Total reserve funds will also remain unchanged. However the Site Post Closure Rehabilitation Reserve will be \$158,000 higher and the Plant and Infrastructure Reserve will be \$158,000 lower as shown below:

	\$
Current Adopted Budgeted Closing Funds	\$128,722
Transfers to or from Reserves:	
Decrease in transfers to Plant and Infrastructure Reserve	\$158,000
Decrease in transfers from Site Post Closure Rehabilitation Reserve	(\$158,000)
Budget surplus closing Funds as at 30 June 2018	\$128,722

The forecast balance of the Site Post Closure Rehabilitation Reserve and the Plant and Infrastructure Reserve at 30 June 2018 will be \$1,388,483 and \$809,408 respectively.

Consultation

Tony Battersby – Chief Executive Officer.
