Officer Comment

The following is an explanation of significant variances identified in the Statement of Comprehensive Income and the Statement of Financial Activity:

Statement of Comprehensive Income	YTD Actual to YTD Budget Variance
Fees and Charges	
Casual Tipping Fees Unfavourable year-to-date variance to budget due to less than expected tonnages being received from the City of Busselton, the Shire of Capel and Westbins.	(\$115,705) (11%)
Sale of Scrap Metal Favourable year-to-date variance to budget due to strong demand and a good price per tonne being achieved better than expected.	\$45,293 27%
Sale of Compost Unfavourable year-to-date variance to budget. This is expected improve during the autumn season	(\$31,888) (31%)
Other Revenue	
Insurance Reimbursements Favourable year-to-date variance to budget due to receipt of good driver rebate and ongoing workers compensation wages recoups.	\$19,127 99%
Employee Costs	
Waste Transfer Station Favourable year-to-date variance to budget due to staff being on annual leave and close monitoring of staff rosters.	\$36,022 13%
Earthworks Operations Unfavourable year-to-date variance to budget mainly due to an increase in the annual leave provision compared to annual leave taken.	(\$36,316) (28%)
Site Rehabilitation Favourable year-to-date variance to budget mainly due to staff being on annual leave and close monitoring of staff rosters.	\$24,739 20%
Materials and Contracts	
Technical Services Unfavourable year-to-date variance to budget mainly due to The DWER requesting further technical information in relation to the New lined Cell proposal for the Stanley Road Landfill.	(\$20,104) (20%)
Organics Expenditure Unfavourable variance compared to year-to-date budget mainly due to an increase in organics licence fees, and plant maintenance costs (e.g. replacement of aeration pipes \$7,870), and the works approval (\$12,883) for the relocation of the Organics Processing Facility to Stanley Road.	(\$41,602) (35%)

11.3 Write off of Accounts Receivable Balances

Attachment(s):	Attachment 3 – Appendix 9 Write Off of Accounts Receivable Balances			

Summary

A review of outstanding invoices is regularly conducted to determine that unpaid amounts can be recovered. Debtor's follow-up of unpaid invoices usually ensures that invoices raised are collected within 90 days of issue. However there are instances where amounts are deemed to be not collectable or the cost of recovery is not economically feasible for the amount outstanding.

In all instances:

- a) All the necessary measures have been taken to recover the debt,
- b) The debt remains unpaid for a minimum period of 90 days after its date for payment, and
- c) A list of debts written off is presented to Council.

The majority of the recommended Account Receivable write off relates to the Aurigen Group. In June 2017 The Aurigen Group debt of \$1,060,186.15 was referred to Dun and Bradstreet debt collection agency and in August 2017 the Group went into liquidation and Administrators were appointed. Milton Graham lawyers were engaged by the CEO to proceed with legal action when the administration period had been completed. As a result the amount of \$1,060,186.15 was transferred to a provision for doubtful debts on 31 May 2017 and is therefore already reflected in the Council's financial position.

All endeavours to facilitate collection of the outstanding amount have been exhausted. The list of debtor's invoices (as attached at Appendix 9) totalling \$1,060,441.15 are recommended for write off as at 30 June 2019.

Officer Recommendation

That Council:

Approves the write off of accounts receivable invoices totalling \$1,060,441.15 as at 30 June 2019 as at 30 June 2019 and for the CEO to recover the money from the State Government.

City Score:	\$ 824,073.16

Attachment(s):	Attachment 4 – Draft Internal Control Policy			

Summary

Internal control is a key factor in ensuring that the Council is effectively and efficiently managed and that its resources are not misused or misappropriated. These controls are integral to the effective risk management of activities and to ensure there are appropriate policies and procedures that promote the achievement of Council's goals and objectives.

Internal control is not limited to financial matters. An effective internal control environment will provide the means by which Council can successfully address and mitigate many risks. The internal control system should be defined in respect to the financial, information and technological, human resource, and legislative activities of Council.

In establishing and assessing internal control practices it is necessary to recognise that in practical terms a certain level of risk will exist. The purpose of internal control is to provide assurance that the internal risks faced by Council are minimised or contained to acceptable levels.

Officer Recommendation

That Council:

Receive and accept Internal Control Policy as presented.

MOVED BY: Cr James Hayward

SECONDED BY: Cr Peter Monagle

RESULT: CARRIED / ~~LOST~~ – 4/0

RESOLUTION: OC020519-1603

Background

Council Policy Compliance

This Policy describes the purpose and major factors to be considered in the development of an effective internal control framework. It provides a framework to assist in the development of policies, practices and procedures to collectively ensure that the financial and non-financial activities of Council are conducted in a proper manner.

Consistent with the objectives and requirements of the *Local Government Act 1995 and Local Government (Financial Management) Regulations 1996*, Council has a responsibility to ensure that its activities are conducted in an efficient, compliant, risk effective and transparent manner that is compliant with its policies and procedures.

Officer Comments

This policy is intended to provide clear direction to all Council members, management and staff and external contractors to ensure that the Council is effectively managed and that its resources are not misused or misappropriated.

A comprehensive and appropriate system of internal control will include policies and procedures that provide a framework that ensures:

- Strategic Plan objectives are monitored and reported in an efficient and orderly manner;
